RE: RFI First Week Outages

We make reference to the Puerto Rico Public-Private Partnerships Authority (“P3A”) request for information dated June 10, 2021, and as part of Transmission and Distribution Operating and Maintenance Agreement (“T&D OMA”) executed on June 22, 2020 among the Puerto Rico Electric Power Authority (“PREPA”), the P3A and LUMA Energy, LLC and LUMA energy ServCo, LLC (collectively, “LUMA”). Since June LUMA has been providing for P3A’s information daily preliminary data related to outages. As discussed with P3A this data is being provided on a temporary basis. LUMA plans to discontinue this practice as of July 31.

Current outage data is also available publicly on the LUMA website, found here:

<https://miluma.lumapr.com/outages/outageMap>.

LUMA will be providing data related to operations, including reliability and other metrics, as part of its regular reporting cycle.

Sincerely,

LUMA Energy LLC

Mario Hurtado

Chief Regulatory Officer
